Passion for Sensors

US Declaration of Conformity

We declare under our sole responsibility that the products to which the present declaration relates comply with the essential requirements of the given rule(s) and have been evaluated on the basis of the listed standard(s).

This device complies with Part 18 of the FCC rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference
(2) This device must accept any interference received, including interference that may cause undesired operation.
